

**TABLE \_\_\_ :****Pedestrian Projects by Project Type**

| <i>Project Name</i>  | <i>Project Location</i> | <i>Project Extent</i>                | <i>Project Description</i>   | <i>Estimated Cost (\$000)</i> |
|--|-------------------------|--------------------------------------|--|-------------------------------|
| <b>Streetscape Projects</b>  |                         |                                      |  |                               |
| Castro Valley Blvd. Streetscape Improvements – Phase I   | Castro Valley Blvd.     | Lake Chabot Rd. to Redwood Rd.       | Landscape, crosswalk enhancements, medians, trees, bike lanes and bulb-outs                  | TBD                           |
| Heyer Ave. Driveway Bulb-out Project   | Heyer Ave.              | Center St. to Cull Canyon Rd.        | Parking bays   | \$600                         |
| <b>Sidewalk/Walkway Gap Closures</b>   |                         |                                      |  |                               |
| Stanton Ave. Sidewalk  | Stanton Ave.            | Somerset Ave. to Castro Valley Blvd. | Construct sidewalk   | \$1,167                       |
| Lake Chabot Rd. Sidewalk   | Lake Chabot Rd.         | Various locations                    | New curb, gutter and sidewalk  | \$331                         |
| Sidewalk (Curb & Gutter) Installation along one side of Orange Ave. between Grove Way and Interstate 580 | Orange Ave.             | Grove Way and Interstate 580         | New curb, gutter and sidewalk  | \$378                         |
| Somerset Ave. Sidewalk   | Somerset Ave.           | Lake Chabot Rd. to Redwood Rd.       | Construct sidewalk   | \$2,000                       |
| Sidewalk Construction Program for Planning Area 2 – Anita Ave.   | Anita Ave.              | Somerset Ave. to Castro Valley Blvd. | Construct sidewalk   | TBD                           |
| Sidewalk Construction Program for Planning Area 2 – Heyer Ave.   | Heyer Ave.              | Center St. to Redwood Rd.            | Construct sidewalk   | TBD                           |
| Sidewalk Construction Program for Planning Area 2 – San Miguel Ave.                                      | San Miguel Ave.         | Somerset Ave. to Castro Valley Blvd. | Construct sidewalk   | TBD                           |
| Sidewalk Construction Program for Planning Area 2 – Santa Maria Ave.                                     | Santa Maria Ave.        | Lorena Ave. to Wilson Ave.           | Construct sidewalk   | TBD                           |
| Sidewalk Construction Program for Planning Area 2 – Mabel Ave.   | Mabel Ave.              | Redwood Rd. to Santa Maria Ave.      | Construct sidewalk   | TBD                           |
| Sidewalk Construction Program for Planning Area 2 – Christensen Ln.                                      | Christensen Ln.         | Parsons Ave. to Lake Chabot Rd.      | Construct sidewalk   | TBD                           |
| Sidewalk Construction Program for Planning Area 2 – Marshall St.   | Marshall St.            | Omega Ave. to Veronica Ave.          | Construct sidewalk   | TBD                           |
| Sidewalk Construction Program for Planning Area 2 – Proctor Rd.  | Proctor Rd.             | Walnut Rd. to Camino Alta Mira       | Construct sidewalk   | TBD                           |
| Sidewalk Construction Program for Planning Area 2 – Stanton Ave.   | Stanton Ave.            | Somerset Ave. to Sheffield Rd.       | Construct sidewalk   | TBD                           |
| <b>Crossing Improvements</b>   |                         |                                      |  |                               |
| Traffic Signal Timing Project – Castro Valley Blvd.  | Castro Valley Blvd.     | Redwood St. to Marshall St.          | Traffic signal timing study to reduce peak period car delay – includes study of pedestrians? | \$20                          |

| <b>TABLE ___ :</b>   |   |   |  |                               |
|--|---|---|--|-------------------------------|
| <b>Pedestrian Projects by Project Type</b>   |   |   |  |                               |
